ABOUT TOPEKA

Welcome to Topeka, where we redefine the music vacation experience. Nestled close to the picturesque Miramar Beach, FL, our innovative venue offers a unique concert experience, where guests can immerse in live music from the comfort of their personal Cove. With offerings ranging from local culinary delights, beverage and merchandise delivered within minutes to the inclusionary approach with no VIP areas, every detail caters to genuine music enjoyment and authentic human connections. Inspired by a scene from Almost Famous, Topeka is a community that prioritizes real connections, moments under the moon, and the power of live music. Whether you are a family, a couple, a group of friends, or coming solo, the Topeka team looks after you and ensures an unparalleled blend of music, beach, and connection. Topeka was created by Andy Levine, Founder of Sixthman.
