“On her debut album, *Bloom in the Break* the Montreal chanteuse pollinates a variety of emotions, bridging youthful love with introspection, lessons learned and how to grown up energy.”

“Canadian singer-songwriter Chloe Stroll has built a reputation for raw, relatable storytelling.”

“*Bloom in the Break* is a storybook that flips through the hardships of life with a sense of understanding, and in that honesty, listeners can find pieces of themselves, a lesson to embrace the vulnerability and evolve from it.”

“The careful balance between vulnerability and strength in this album will resonate with anyone who has faced moments of doubt or heartbreak.”

“Altogether, *Bloom in the Break* is an enchanting mission statement from Stroll, and cements her as an artist you need on your radar, regardless of whether you’re a R&B, pop or country fan. As she demonstrates across this album, Stroll can do it all.”

“This deeply personal album represents a full spectrum portrait of her past experiences, struggles, and the healing that came from standing her ground.”

“A sensational entry into the industry, Chloe’s melodic tone and crushing lyrics will have you begging for more.”

“Chloe Stroll is quickly building a reputation for her relatable storytelling and emotional richness.”

“a debut filled with authenticity, storytelling, and a voice that proves Chloe Stroll is here to stand her ground.”
